The Toledo Metropolitan Area Council of Governments
Cordially Invites You to Attend
A Monroe County Reception
Thursday, October 15, 2009, 4:45-7 p.m.
DTE Energy
3500 E. Front St.
Monroe MI 48162

Please join us for this special reception. We’ll have light refreshments provided by DTE Energy, and Jeff Hensley, supervisor of the Monroe Power Plant will present a brief presentation on emission reduction programs at the plant – including a new “scrubber.” We’ll take a tour of the facility.

Please note that we will be touring a working plant. Attire should be appropriate for an industrial space: long pants for men and women, no open-toed shoes or shorts. More information is on-line at the registration page.

Please RSVP by Friday, October 9. Contact Greg Gettum with any questions at gettum@tmacog.org or 419.241.9155, ext 132.

Directions: I-75 to Monroe, to exit 13. East on Front St.

Registration for this reception is on-line. Only those people who are registered will be admitted to the reception at DTE Energy. Go to www.tmacog.org and click on the What’s Hot button.
The Toledo Metropolitan Area Council of Governments hosts receptions at individual counties throughout the TMACOG region each year. You are invited to join TMACOG members, elected officials, and business and community leaders at this annual networking and information-sharing event.

TMACOG and its partners work on issues that affect quality of life in our region. Our primary areas of concern are transportation and environmental planning. We look forward to a conversation about your local concerns at a productive and pleasant meeting.

For more information about TMACOG, see www.tmacog.org
