

Natural Resources Assistance Council DISTRICT 12 - LUCAS COUNTY, OHIO

Application Information Sheet

Program Eligibility

Any local political subdivision or any non-profit organization within District 12 (Lucas County) may apply for grant monies to be used for open space preservation. Said non-profit organizations are defined as those exempt from federal income taxation and have one of their designated activities directly related to the purposes for which grants may be issued under O.R.C. Sections 164.20 to 164.27.

Projects could include acquisition of land or land rights for parks, forests, wetlands, natural areas that protect rare, threatened, or endangered plant or animal populations, and corridors connecting these areas. Related development projects could include construction, management, maintenance and/or enhancement of facilities for public accessibility to open spaces, pedestrian or bicycle linkages, riparian corridors, watersheds, and related educational opportunities.

Grant Funding Limitations

District 12 has been allocated \$1,012,864 in round 5 funding. Projects and funding requests may **not** be phased over multiple funding rounds. A 25% minimum local match is required from the applicant.

Application Procurement and Submittals

Application Instructions

Please read carefully the application package and all attached information prior to starting completion of the application form. NOTE: The wrapped package provided by the Clean Ohio Conservation Fund contains three (3) separate sections. The first section is detailed instructions on answering each application question along with the question itself. The second section contains the actual application form, which should be copied several times before starting the answering process. The third section contains the glossary established by the Ohio Public Works Commission, which defines the terms contained in the application materials. NRAC reserves the right to individually score parcels that are a part of non-contiguous multiple parcel applications.

This information sheet highlights items that may be overlooked or that are of significance to the Council. Also included is the application Scoring Methodology which will be applied by the Council to determine those projects which will be recommended for funding. This Methodology is for your reference only and should not be filled out or submitted with your application.

If you have questions regarding the program or application process, please contact the District NRAC Liaison, Kurt Erichsen, P.E., at (419) 241-9155.
