TMACOG to Host Wood County Reception

TMACOG members in Wood County, elected officials, and community leaders are invited to a reception Thursday, June 23, from 5 p.m. to 7 p.m. at Kobacker Hall at the Moore Musical Arts Center of Bowling Green State University.

The program for this reception will include a short musical performance followed by a presentation by Susan Knapp, director of public affairs for the College of Musical Arts. Ms. Knapp will discuss the role the college plays in the cultural life of our region and discuss musical outreach to neighbors.

For more information or to register, contact Greg Gettum at 800.245.9155 ext. 132 or Gettum@tmacog.org. The Moore Musical Arts Center is located at the corner of Ridge and Willard. Attendees will receive a parking permit. The Wood County reception is sponsored by Genoa Bank and Rudolph-Libbe.

TMACOG hosts receptions at counties throughout the TMACOG region each year. These events are occasions for TMACOG members to network with each other and with TMACOG staff outside of normal committee work. Primary areas of concern for TMACOG and its members are transportation planning including highways, rail and other freight systems; and environmental planning for water quality and air quality.
