

Fall Farm Tour

Blanchard River Demonstration Farms

September 9, 8:45 a.m. – 3:30 p.m.

Join members of TMACOG's Water Quality Council to visit three family farms near Findlay. We'll see leading edge conservation practices in use and hear from the farmers about how these strategies improve water quality. The demonstration farms include row crops and a swine operation.

The Blanchard River Demonstration Farms Network (BRDFN) is a joint partnership between U.S. Department of Agriculture Natural Resources Conservation Services and the Ohio Farm Bureau Federation. BRDFN is a Great Lakes Restoration Initiative (GLRI) project.

REGISTER early.
