

“On the Move: 2007–2035 Transportation Plan” — Identifying Needs & Opportunities*

Instructions:

1. List transportation needs (*not projects or solutions*) that concern *you* directly – plus problems or opportunities that are concerns in our region.
2. “Rate” each item: 4 = Regional impact / Higher importance; 3 = Regional impact / Moderate importance;
2 = Local impact / Higher importance; 1 = Local impact / Moderate importance.

Voting: Place dots in this column	Problem, Need or Opportunity	So what? (Impacts)	Rating
14	Lack of public transit in all communities, Local i.e Northwood, Toledo, Regional i.e. Defiance	Employees and Employers limit access to each other	4
8	Reliance on fossil fuel	Cost, availability, pollution, Political, dependence on foreign sources	4
2	Toledo Express – opportunities to enhance airfreight capabilities, inter model connections	Magnet for economic development	4
4	Magnet for economic development	Maintain and enhance quality of life, economic development	4
	Enhance water bound transportation Great Lakes	Employment, Investment	4

*Note: TMACOG is looking at transportation needs in fall 2005; developing solutions in 2006; and making recommendations in early 2007.
