

TMACOG 2035 Transportation Plan–Update 2011

Transportation in Our Region: Maps from the March 2010 Public Meetings

Click on map name to view maps (and to answer these questions):

1. **Environmental Justice Map**

Q An Environmental Justice area has a higher than average minority or _____ population.

A _____

2. **Truck Volumes Map**

Q True or False: I-75 and the Ohio Turnpike (I-80/90) are two of our major truck routes.

A True False

3. **Northwest Ohio Intermodal Projects**

Q True or False? Right now, there are four (4) major projects underway to improve how we move freight

A True False

4. **Railroad Grade Separation Projects**

Q Name one railroad grade separation (underpass or overpass) that is proposed.

A _____

5. **Bicycle Facilities**

Q What percent of people in our region live within 1/2 mile of a bike path or bike lane?

A _____ percent (%)

6. **Transit Systems**

Q There are three public transit systems in our region. Which one is the biggest?

A _____

7. **Passenger Rail**

Q What's the name of the proposed high speed rail system that will connect Toledo to Columbus and Detroit?

A _____

8. **Bridge Condition**

Q How many bridges are in "POOR" condition?

A _____

9. **Pavement Condition**

Q True or false? The pavement on most of our major roads is in good condition.

A True False

10. **ODOT Safety Locations**

Q True or False? US 20 in Toledo (Reynolds Road) is a "Safety Hot Spot."

A True False

11. **2009 Crashes**

Q What intersection had 57 accidents in 2009?

A _____ at _____

12. **2035 Plan Projects (Projects List)**

Q On the Plan Projects map, there are projects to improve I-475. What's one of these project numbers?

A _____

13. **Other 2035 Plan maps: Priority Locations for Roadway Reconstruction; Reserve Projects**

14. **Congestion maps: 2005 Congestion; 2035 "No Build" (congestion if no 2035 Plan projects are built); 2035 "Build" (congestion if all 2035 projects are built)**
