

# Brainstorming notes for March\_28\_06

## Funding Group

### 7-6 Balance

Determine fair balance

Long-term-think multi-modal in design

- opportunity for bike lanes
- Park n Ride

New way to fund transit

Think long-term- what will transit look like?

Regional System/funding? (prop or sales tax)

Link to BG

Charge people for true cost of development (impact fees) – currently limited commercial only.

Increase (E)??Affectivity of each mode

Example: is transit (and other modes) system most effective? (

Joint planning between/among modes – sit down together (currently – single-mode planning holistic (not **wholistic**) design solutions

- bring together key players
  - modes; jurisdictions

- Thru TIP committee? Jurisdiction announces project and opportunity for partnering
- Request for consultant/pre application

TMACOG new –official training- multi-modal and holistic

T-summit – educ. officials
