

**On the Move - 2007-2035 Transportation Plan Needs Input  
Goal Group 1, Passenger**

Topic	Problem Statement
<a href="#">Air / Expand</a>	Expand capacity (runway lengths) at airports
<a href="#">Air / fuel</a>	Improve fuel availability and reduce cost
<a href="#">Air / New services</a>	Opportunity to consider new air services.
<a href="#">Air / Toledo</a>	Clarify Toledo Express's role in air passenger transportation , and improve service and terminal.
<a href="#">Auto</a>	Auto-based transport is basis of our mobility
<a href="#">Auto / efficiency</a>	Improve traffic flow, reduce congestion.
<a href="#">Auto / environment</a>	Reduce negative environmental impacts caused by autos
<a href="#">Auto / misc</a>	Miscellaneous concerns
<a href="#">Auto / safety</a>	Need to reduce number of auto crashes
<a href="#">Bike / commute</a>	Need to provide for bike commuting
<a href="#">Bike / more</a>	More bike facilities are needed in the region
<a href="#">Bike / network</a>	A regional bikeway network needs to be completed
<a href="#">Bike / parking</a>	More bike parking facilities are needed
<a href="#">Bike / paths</a>	More bike paths are needed
<a href="#">Bike / paths-EJ</a>	Bike paths must be fairly distributed
<a href="#">Bike / planning</a>	Bike facilities are not routinely included in community and project plans
<a href="#">Bike / promote</a>	Because bicycling provides community benefits, it should be actively encouraged.
<a href="#">Bike / rail-to-trail</a>	Preserve and use rail corridors for trails
<a href="#">Bike / route info</a>	Cyclists need information on routes and facilities
<a href="#">Bike / safety</a>	Need to provide safe conditions for cycling

---

**Bike / student trans**    **Need to provide for bike transportation for students**

---

**Bike-Ped / riverfront**    **Opportunity to make river corridor bike/ped friendly**

---

**Bike-Ped / safety ed**    **Car driver, cyclist & pedestrian inappropriate/illegal behavior and lack of information**

---

**Bike-Ped / safety-street**    **Bike, car and pedestrian conflicts--how provide safe bicycle/ ped. use of street corridors?**

---

**Bridges, River**    **Keep existing river crossings open and add more**

---

**Carpool**    **More carpooling needed**

---

**Conflicts**    **Eliminate modal conflicts**

---

**Economic dev't**    **Use transportation to support economic development**

---

**Fuel**    **Cost and environmental impact of fossil fuels**

---

**Funding**    **Insufficient funding for all modes of transportation**

---

**Highways**    **Improve highway system for safer and more efficient travel**

---

**ITS / traveler info**    **Need to increase traveler information availability**

---

**Land Use**    **Patterns of land development affect the types of transportation that are viable**

---

**Parking**    **Parking costs downtown**

---

**Ped**    **General importance of pedestrian mode**

---

**Ped / access**    **Lack of pedestrian access to stores, other destinations**

---

**Ped / amenities**    **True pedestrian-friendliness includes amenities**

---

**Ped / crossings**    **Pedestrians have difficulty crossing streets and highways**

---

**Ped / lack of walks**    **No sidewalks or gaps in the sidewalk system.**

---

**Ped / maintain**    **Sidewalks not maintained - poor condition.**

---

<b>Ped / promote</b>	<b>Need to promote walking as transportation</b>
<b>Ped / safety</b>	<b>Snow/ice and other hazards make walking unsafe</b>
<b>Ped-Bike / to transit</b>	<b>Lack of pedestrian (and bike) facilities means lack of access to public transit</b>
<b>Rail</b>	<b>Lack of fast, convenient &amp; affordable intercity passenger rail</b>
<b>Rail to Air</b>	<b>Lack of rail service connecting to airports</b>
<b>Regional coop</b>	<b>Opportunity to partner with adjoining regions to address transportation issues</b>
<b>Safety</b>	<b>Improve safety and security for passenger transportation</b>
<b>Streets / Congestion</b>	<b>Reduce congestion and improve flow of traffic on streets</b>
<b>Streets / maintain</b>	<b>Properly maintain streets and highways</b>
<b>Transit</b>	<b>Lack of sufficient public transit</b>
<b>Transit &amp; Rail / BG</b>	<b>Lack of transit and passenger rail service to City of Bowling Green</b>
<b>Transit / amenities</b>	<b>Improve public transit bus stops and other amenities</b>
<b>Transit / environ</b>	<b>Use public transit to help improve the environment</b>
<b>Transit / expand</b>	<b>Expand the geographic reach of public transit</b>
<b>Transit / expand-Oregon</b>	<b>Lack of public transit in and to City of Oregon</b>
<b>Transit / expand-rural</b>	<b>Need to expand transit to rural areas</b>
<b>Transit / expand-Springfield</b>	<b>Need to expand transit to Springfield Township area</b>
<b>Transit / hours</b>	<b>Expand hours of transit service</b>
<b>Transit / improve</b>	<b>Improve transit operations</b>
<b>Transit / info</b>	<b>Need more/ better information about transit</b>

---

**Transit / innovation**    **Opportunity to improve the region with new, exciting forms of transit**

---

**Transit / innovation-UT corridor**    **People-mover to provide linkage along proposed research/tech corridor**

---

**Transit / intercity**    **Lack of affordable and effective intercity bus service.**

---

**Transit / regional**    **Create a truly regional transit system**

---

**Transit / seniors, special needs**    **Provide more transportation for senior citizens, and people with disabilities or other special needs**

---

**Transit / to rail**    **Need better intermodal connectivity between passenger rail and public transit**

---

**Transit / trolley or light rail**    **Opportunity to add fixed-guideway transit (trolley or light rail)**

---

**Transit to air**    **Need transit links to airports**

---

**Transp. Choices**    **Provide more viable personal transportation choices**

---

**Water**    **Opportunity to increase use of water transport for passengers**

---
