Brainstormed Solutions - Preserve System

Problem Statement #1: Need to maintain bicycle/pedestrian systems								
Brainstormed Solutions	**Solution Ranking**	**Project**	**Policy**	**Initiative**	**Long Term**	**Short Term**	**Fix the Symptoms**	**Fix the Root Cause**
Public doesn't understand that sidewalks are property owner's								
responsibility:								
Need to provide public education				X				
Need to have policy that political jurisdictions enforce their laws about			X					
construction and maintenance of walks								
Jurisdictions should include public owned walks/trails in their snow/ice			X					
removal plans and have/enforce laws regarding clearing facilities on								
private property.								

Problem Statement #2: Insufficient/problematic road maintenance and road appurtenances								
Brainstormed Solutions	**Solution Ranking**	**Project**	**Policy**	**Initiative**	**Long Term**	**Short Term**	**Fix the Symptoms**	**Fix the Root Cause**
Use appropriate repair techniques and materials			X					
Educate policy people				X				
Educate engineers				X				
Educate those performing the work				X				
ID Appropriate timing for techniques				X				
Ban pavement cuts			X					
Determine steady state				X				
Establish a uniform PCR system			X					
Establish rating systems for other infrastructure (culverts, storm			X					
sewers, signals, etc.)								
Extablish steady state budgets			X					
Determine needed "catch up" projects to reach steady state		X						

Problem Statement #3: Lack of funds to implement appropriate fixes								
Brainstormed Solutions	**Solution Ranking**	**Project**	**Policy**	**Initiative**	**Long Term**	**Short Term**	**Fix the Symptoms**	**Fix the Root Cause**
Educate the public on needs, cost, responsibility				X				
Impact fees			X					
ID/reasearch funding gap				X				
Balance regional funding			X					
Allocation of funds; steady, dedicated, inflation adjusted sources of funds				X				
Urge simpler funding use/rules for preservation projects			X					
Dedicate funds for specific repairs (ie. Resurfacing fund)				X				
Emphasis on maintaining the system vs. capacity improvements			X					

Problem Statement #4: Need to maintain seaport								
Brainstormed Solutions	**Solution Ranking**	**Project**	**Policy**	**Initiative**	**Long Term**	**Short Term**	**Fix the Symptoms**	**Fix the Root Cause**
