

Safety/Efficiency Goal Group

Problem Statement	Solutions			
		Project	Initiative	Policy
# 1 Reduce Congestion on Arterials	Short-Term			
	Longer-Term		Education to villages/cities about the rules	Adhere rules and regulations with respect to villages and cities.
	Fix the Symptoms			
	Fix the Root Causes			

Problem Statement	Solutions			
		Project	Initiative	Policy
# 1.a Additional Capacity US 20 (Perrysburg to SR 420)	Short-Term	additional turn lanes		Enforce Access management plan
				bridge replacement to accommodate future widening
				bridge replacement accommodate bikeway/ped facilities
	Longer-Term	Additional through lanes		develop a land use plan that are enforceable
		Access roads to businesses		
		ITS		
	Fix the Symptoms			
	Fix the Root Causes			

Problem Statement	Solutions			
		Project	Initiative	Policy
# 1.b. Reduce Congestion on Central/McCord/I-475/US 23(Lucas county line to Reynolds)	Short-Term	Access management		
		left turn lanes		
	Longer-Term	Additional through lanes		Work with township to develop land use plans that are enforceable
		ITS		
	Fix the Symptoms			
	Fix the Root Causes			

Problem Statement	Solutions			
		Project	Initiative	Policy
# 1.c. Reduce Congestion SR 25 Perrysburg to Bowling Green (Perrysburg to Five-Point and Poe to Bishop)	Short-Term	access management		
		turn lanes from Poe to Newton		
	Longer-Term	look at the parallel roads and improve them (Thompson, Eckle Junction, Roachton, Fort Meigs, Five Point)	roundabouts at all the intersections in Perrysburg (SR-25)	follow through the Interchange modification study
	Fix the Symptoms			
	Fix the Root Causes			

Problem Statement	Solutions			
		Project	Initiative	Policy
# 1.e. Increase Capacity on SR 2 from Port Clinton to Oregon	Short-Term	add turn lanes at intersections		
	Longer-Term	Additional lanes		keep the rates on turnpike low to encourage truckers
		Improve geometry		keep the speed limits high on turnpike to encourage truckers
		New alignment (getting away from the lake)		
	Fix the Symptoms			
	Fix the Root Causes			

Problem Statement	Solutions			
		Project	Initiative	Policy
# 3a Increase Capacity on US 23/I-475	Short-Term			
	Longer-Term	Increase capacity on I475/US 23	incorporate recommendations from ODOT study	
		Incorporate ODOT ITS project		
		Second Outerbelt		
	Fix the Symptoms			
	Fix the Root Causes
