

On the Move

2007-2035 TRANSPORTATION PLAN

COMMENT FORM

We listened to you. Did we get it right?

Why plan? The TMACOG “On the Move” transportation plan:

- is required — so our region can get federal funds to build roads, bridges, bike paths, etc.
- helps us set goals and choose the most important projects.

What’s in the plan?

- Please see the draft plan—especially Chapter VI, sections 8, 9 and 10, which contain the plan projects, initiatives and policies.
- You can also visit TMACOG’s offices to see the plan. Call 419-241-9155.

Do you agree with the “On the Move” plan?

- For two years, we’ve talked with the public and done research.
- We think this plan helps our region. What do you think?
