

On the Move - 2007-2035 Transportation Plan Needs Input

Need/Opportunity	Venue	Rank (High or Moderate)	Priority (Group Top 5)	# Dots (votes)	Non-Transportation Issue
need for expanded intermodal facility - more efficient (economic growth - reduces congestion)	Pemberville	H	Y	5	
Lack of railroad access for shippers (available access is on congested areas (roads) in Toledo (costs & time))	Pemberville	H	Y	5	
Safety issues due to lack of signals and signage (safety)	Pemberville	H	Y	4	
Lack of funding for highway improvements results in inadequate roads to handle trucks (improvements in safety and potential growth)	Pemberville	H	Y	3	
Lack of organized transport in rural areas (public) [impacts employee base and quality of life]	Pemberville	M	Y	3	X
Sugar Ridge Rd. safety concerns - US23 to SR 199 students & adults -crashes (impacts of school functions)	Pemberville	H	Y	3	
Need for improvement of bike paths - minimum standards for bike network (quality of life, safety)	Pemberville	M	Y	2	X
Blocked RR crossings (delays (busses) & safety (emergency vehicles))	Pemberville	H	Y	1	
No access I 475 to SR 199 (would alleviate congestion on other area roads; growing congestion from sprawl)	Pemberville	H	Y	1	
Country Rd. safety (lack of berms; stop sign running) [crashes, injuries etc.]	Pemberville	H	Y	0	
Need railroads to operate more as a business (goods not moved efficiently and promptly and not traceable)	Pemberville	M			
fuel costs for trucking and lack of available trucks	Pemberville	H			
County road stop signs need rumble strips (people running stop signs)	Pemberville	H			
Need for more capacity on I 75 south of Perrysburg	Pemberville				
Sugar Ridge Rd (between 23 & 199) safety concerns (e.g. icy, congested & 199 intersection)	Pemberville	H			
Lack of berms on country roads (high drop off)	Pemberville	H			
local roads / bridges not adequate to handle trucks (functionally)	Pemberville				
need for improved bike path and possible extension - minimum standards for bike network paving	Pemberville				
Blocked crossing (CSX)	Pemberville	H			
Highway intersection safety & congestion, Wood Co: US 23/SR 6 (traffic light but heavy traffic-accidents); SR 199/SR 6 (no light-high accidents-bad jog and river crossing). US 20 & 23 intersection (flashing lights only) - easy fix.	Pemberville	H			
conflict between pedestrians, bikes, rollerblades downtown	Pemberville	M			X

modify roads / streets to coexist with pedestrians etc. (opportunity: abandoned RR track transformed Near High School. (C. .25miles)	Pemberville	M			X
Lack of transportation services for seniors and disabled	Pemberville	M			
Lack of access to RR for shipping local products, existing access points congested	Pemberville	H			
Lack of funding for highway maintenance results in inadequate roads to handle trucks	Pemberville				
need for expanded intermodal facility (rail) -need to be more efficient	Pemberville				
RR crossing at State Route 6	Pemberville	M			
no access from SR 199 to I-75 (needed) Housing congestion increased dramatically	Pemberville	H			
No safe route to school for kids on foot or bike	Pemberville	M			
Bike Network - use S. River Rd, not N. River Rd.	Pemberville	M			X
lack of organized transport in rural areas	Pemberville				X
New Rochester rd. bridge over Portage River between n. River and S. River Rds.- closed - would be an excellent bike path (only)	Pemberville	M			X
Safety issues due to lack of signage / signals	Pemberville
