

**On the Move - 2007-2035 Transportation Plan Needs Input
2035 Task Force**

Need/Opportunity	Venue	So What?	Rank (High or Moderate)	Priority (Group Top 5)	# Dots (votes)	Non-Trans. Issue
Lack of county-wide public transit	2 Task Force	Many areas of county inaccessible to non-driving population	H	Y		
Suburban streets not designed for pedestrian traffic (non-motorized)	2 Task Force	With aging population, imperative that we plan for non-driving population used to be very mobile		Y		
Rising price of fuel	2 Task Force	Lack of sidewalks need for non one-vehicle/one person transportation		Y		
Poor road conditions	2 Task Force	Difficult to maneuver safely around town during "cone" season		Y		
475 road Salisbury backup	3 Task Force	Traffic Congestion	H	Y		
Connectivity in Regional Bike Network	3 Task Force	Safety, Alternative transportation	H	Y		
Need central location for Intermodal hub (airport)	3 Task Force	Opportunity for business growth		Y		
Direct connection from 20A to airport	3 Task Force	Business growth <u>lives here</u>		Y		
Roundabouts for traffic calming	3 Task Force			Y		
Local revenue to fund projects	3 Task Force			Y		
Lots of truck traffic	4 Task Force	Safety / accident concerns	H	Y		
Lots of truck traffic	4 Task Force	Congestion use of highway capacity	H	Y		
Deteriorating pavement conditions	4 Task Force		M	Y		
Costs of materials	4 Task Force	Can't afford mtce. / new projects	M	Y		
Connectivity of modal facilities for freight	4 Task Force		H	Y		
Airport freight access to US 20A	4 Task Force	Constraints development at airport	H	Y		
Delays safety at railroad grade crossings	4 Task Force	Lost time \, lost efficiency	H	Y		
Northern Wood County grade crossings blocked (Tracy & Oregon roads) entering yards	4 Task Force		H	Y		
McCord Road – safety, delays (esp. new development??)	4 Task Force		H	Y		

Need/Opportunity	Venue	So What?	Rank (High or Moderate)	Priority (Group Top 5)	# Dots (votes)	Non- Trans. Issue
Congestion/delay on I-475in W Lucas County	4 Task Force	475-23	M	Y		
Congestion affects costs, safety, environment	4 Task Force			Y		
Accidents/lack of information about detours	4 Task Force	Cong., env. (some progress coming)	M	Y		
Development and appropriate access to streets	4 Task Force	Development				
Transportation for those who don't drive or have car, county-wide system	Task Force 1	Can't get to stores, work, medical w/o help from others, Large areas of county not serviced by public transit	H	Y		
Adequate crosswalks	Task Force 1	Pedestrians cannot safely cross	H	Y		
Sidewalks (too close to street/lack of)	Task Force 1	Safety of pedestrians	H	Y		
Lack of maintenance especially in older areas	Task Force 1	Further decline leads to exodus from areas	H	Y		
Sprawl	Task Force 1	If build-increases traffic	H	Y		
Signal coordination to move traffic	Task Force 1	Creates artificial traffic jams, smart system management	M	Y
