Agenda Item 3. Regional Goals: Transportation in Context

This chart is provided for your convenience. You are welcome to use it if it is helpful.

1) List goals and objectives of your organization, jurisdiction or "sector" – or goals of a major planning document you are working to implement -- that may relate to area transportation goals or needs:

Goal	Goal Source	Relationship to Transportation

2) Do you have plan maps that provide locational goals for this metropolitan region that may affect transportation goals? (Lucas, Wood, southern Monroe counties.) Please list, and bring along to display if available.
