

Transportation Questions:

Please answer the following questions as they relate to your experiences traveling throughout Lucas County, Wood County, and the southern portion of Monroe County.

1. What is your primary means of transportation?

- Drive Alone
- Carpool/Vanpool/Rideshare
- Motorcycle
- Public Transportation
- Bike
- Walk

Other (please specify)

2. Select the top 3 transportation issues that affect you the most:

- I often experience congestion while traveling throughout the region
- Potholes are hard to avoid and damage my vehicle
- I am often stuck at railroad crossings
- There aren't enough carpooling/vanpooling/ridesharing options for me
- Public Transportation isn't available where I live/work/go to school
- There aren't enough bike paths/lanes for me to get to where I need to go
- Sidewalks are either nonexistent or in poor condition and are difficult to traverse
- There aren't enough flight destinations at Toledo Express Airport
- There aren't enough passenger rail destinations at the Amtrak Station
- There aren't enough recreational facilities near me (e.g. hiking trails, boat ramps, playgrounds, etc.)

Other (please specify)

3. Mark each transportation network either as one which we should **GROW** (add infrastructure to), or one which we should **MAINTAIN** (keep as is and not add to):

	Maintain	Grow
Region's Highway Network	<input type="radio"/>	<input type="radio"/>
Region's Roadway Network (Non-Highway)	<input type="radio"/>	<input type="radio"/>
Bicycle/Pedestrian Network	<input type="radio"/>	<input type="radio"/>
Public Transportation Network	<input type="radio"/>	<input type="radio"/>
Rail Network	<input type="radio"/>	<input type="radio"/>

4. Please select 2 areas we should invest in for the future:

- Smart infrastructure (e.g. self-driving cars, connected vehicles, electronic message boards, etc.)
- System preservation
- Carpool/Vanpool/Ridesharing
- Safe mobility education (driving/biking/walking)
- Public transportation
- Green infrastructure and better air quality
- Complete bicycle network

Other (please specify)

5. Does our transportation system promote economic growth?

- The transportation system in the region is basically as good as it needs to be in order to improve economic growth in the next 5 to 10 years
- The transportation system in the region needs minor improvements and investments in order to improve economic growth in the next 5 to 10 years
- The transportation system in the region needs major improvements and investments in order to improve economic growth in the next 5 to 10 years

Other (please specify)

6. Do you think the level of funding for transportation should increase or decrease over the next 10 years?

- It should significantly increase
- It should slightly increase
- It should stay the same
- It should slightly decrease
- It should significantly decrease

7. If a new job was available 10 or more miles from your home, would you be able to take the job based on your current transportation situation?

- I have a reliable car, so I would probably drive
- I do not have a reliable car/I do not drive, but I could probably find someone to take me
- I do not have a reliable car/I do not drive, but I could probably use public transportation
- I would not be able to take the job because I would not have transportation
- Don't know/not applicable (you are retired or not seeking work)

8. Please select what you think the 3 most important transportation goals should be:

- Safety:** Reduce traffic-related fatalities and serious injuries across all modes
- Infrastructure Condition:** Maintain and improve the transportation system to a state of good repair
- Congestion Reduction:** Reduce congestion on all major roads
- System Reliability:** Improve the efficiency of the surface transportation system
- Freight Movement:** Strengthen freight access to national and international trade markets to support economic development
- Environmental Sustainability:** Protect and enhance the community and natural environments
- Project Delivery:** Expedite project delivery to maximize effective use of public funds
- Personal Mobility:** Improve the quality, accessibility, and efficiency of the multimodal personal transportation system

9. How open are you to using a self-driving vehicle?

- I am open to using a self driving vehicle, but am concerned about the cost (buying/leasing/user fees)
- I am open to using a self driving vehicle, but am concerned about safety (e.g. cybersecurity/malfunctioning hardware or software causing an accident)
- I am open to using a self driving vehicle, but am concerned about the cost of updating our roadways to be compatible with the self-driving vehicles
- I have no concerns and am completely open to using a self-driving vehicle
- I am not open to using a self-driving vehicle

Please explain your answer here:

10. Which of the following best describes how often you have used public transportation (such as TARTA, TARPS, BG Transit, Bedford Dial-A-Ride, Perrysburg Transit) during the past year:

- Almost every day
- A few times a week
- A few times a month
- A few times a year
- Never

11. If you have a transportation need at a specific location in our region, please describe it here:

Demographic Questions:

Your individual responses will remain confidential

12. In which county do you live, and what is your ZIP code?

- Lucas
- Wood
- Monroe
- Other

Zip Code

13. What is your age?

- Under 18
- 18-24
- 25-34
- 35-44
- 45-54
- 55-64
- 65+
- Prefer not to say

14. Which of the following best describes the highest level of education that you have completed?

- Less than high school graduate
- High school graduate (includes equivalency)
- Some college or associate's degree
- Bachelor's degree
- Graduate or professional degree
- Prefer not to say

15. What is your gender?

- Male
- Female
- Other
- Prefer not to say

16. Which of the following best describes your annual household income?

- Under \$15,000
- Between \$15,000 and \$29,999
- Between \$30,000 and \$49,999
- Between \$50,000 and \$74,999
- Between \$75,000 and \$99,999
- Between \$100,000 and \$150,000
- Over \$150,000
- Prefer not to say

17. Please enter your name and preferred contact information for a chance to win a \$25 gas card or bus pass! Four lucky winners will be selected.
