

TMACOG Transportation Planning Committee

Tuesday October 16, 2018 – 1:00 p.m.

TMACOG Boardroom

Minutes

1. Convene meeting/introductions

Ron Myers convened the meeting and the August meeting minutes were reviewed. A motion was made by Gary Stookey to accept the minutes and Ken Fallows seconded and the motion passed.

2. 2045 On the Move 2020 Update

- a. Plan Process Schedule Update – Dana Doubler went over the updates to the Task Force Schedule since the September meeting. Changes include extending the “System Overview” portion to the end of 2018 and the Transportation Council approval of performance measures to November.
- b. **Transportation 101** – Lance Dasher discussed the bicycle network map and the sidewalk map, along with updates to them since the last plan. Dana Doubler then went over the two transit maps and the methodology behind them. Dana Doubler then presented the multimodal projects map, which is a map of multimodal projects from the 2015-2045 On the Move Plan. Lance Dasher presented the bicycle modal conflict points map, which shows all intersections of bicycle facilities with roadways. Roger presented the freight modal conflicts map, along with the freight hubs and distribution centers map.
- c. **Land Use & Population Scenario Break Out Session** – Dana Doubler presented the poster sized land use maps showing the TMACOG region. The Task Force then broke into small groups and each group indicated where there would be population growth and decline, along with employment growth and decline in the TMACOG region. After the groups finished the exercise, they had one person from each group present what their findings were.
- d. **Schedule of Public Meetings** – Dana Doubler and Dave Gedeon asked the Task Force what they felt an appropriate number of public meetings would be. Discussion included having fewer meetings compared to the last Plan, but also the meetings should be accommodating and be considerate of personal schedules, public transit accessibility, and location. Dana will draft a schedule of meetings and send it to the Task Force for review.

3. Next Steps

The next Task Force meeting will include the continuation of the “Transportation 101” overview in which staff will present information on the transportation network in our region. Meetings will also include scenario planning and transportation needs for our region.

4. Major Project Updates

- a. ODOT Updates

Mike Stormer stated that the 75/475 project by Jeep is expected to be open by winter. Anthony Wayne/75 is in “pre-phase” with 2 lanes in each direction and phase 1 will begin next spring. In Bowling Green, the Wooster roundabouts will be done by next summer. In Waterville, the bridge will be open next fall. He also answered questions about the Dorr Street interchange, which will begin in 2020/2021.

b. TMACOG Updates

Dave Gedeon stated that the ToLEGO Bikeshare program will be launched on October 16th. Also, TMACOG is working on the update of the ITS infrastructure and is working with local stakeholders. TMACOG is also working on the update of the Legislative Agenda.

c. Additional Updates

Gary Stookey from City of Toledo gave an update regarding the MLK Bridge project and downtown projects. Ron Myers from Lucas County informed everyone about the McCord north of Central project, along with the University Park Trails project.
